Students belonging to backward classes are not adequately filling the scholarship or free ship forms which are facilitated by GOI or state government due to either technical or personal reasons resulting in a financial burden to the students.

Hence the management has decided to waive off half their admission fees which will ease of the financial burden of the students and promote the student to focus on his/her studies. The policy is named as 'Late Babasaheb (Bhau) Akat Fess Concession Policy. The policy will come into effect from academic year 2017-18 onwards.

Eligibility: The student must belong to backward class.

The student should not be benefited by any other scholarship.
